

INTERNATIONAL BACCALAUREATE (IB) CREDIT & CHART

Content on this page is updated throughout the academic year.

Students who earn scores of 5, 6, or 7 on International Baccalaureate (IB) Higher Level (HL) Examinations taken before high school graduation will receive 8 units of credit toward graduation at UC Davis for each such test completed with the required scores, provided official scores are submitted to the Office of Admissions. Students who complete the IB diploma with a score of 30 or above will receive 6 quarter units in addition to the units earned for individual Higher Level exams (effective S20). The university does not grant credit for Standard Level (SL) exams.

Students should be advised that college courses taken before or after attending UC may duplicate Advanced Placement (AP), IB and/or A Level examinations. Additionally, exams may duplicate each other; for example, an AP or IB exam in the same subject area. If the student does duplicate an exam with another exam of the same subject content, and/or an exam with a college course, we will award credit only once.

Note: International Baccalaureate credit earned prior to entering the university will not be counted toward maximum unit limitations either for the selection of a major or for graduation.

Note: This is not a comprehensive list. If your exam is not listed, credit will be determined in consultation with an advisor.

6 or higher on the Standard Level (SL) exam satisfies the university Entry Level Writing Requirement, but does not result in any course credit.

Students who complete the IB diploma with a score of 30+ will receive 6 quarter units towards their UC degree, in addition to the units earned for individual Higher Level exams (effective S20).

The university does not grant credit for Standard Level (SL) exams.
