Program of Study

The UC Davis Graduate School of Management's Undergraduate Accounting Minor gives you the opportunity to enhance your accounting knowledge with a carefully crafted series of five upper division courses. These courses are designed to prepare you for accounting-related careers or advanced study in accounting. All five courses, 20 units total, must be completed to receive the minor certification.

The Accounting minor courses are open to all undergraduate and graduate majors at UC Davis.

The five courses required for the Accounting minor are offered by the Graduate School of Management. No substitutions (e.g., transfer courses, study abroad courses, or other UC Davis courses) are allowed. No course overlap is allowed with other minors. No more than one course can be counted towards both the student's major and the minor.

MGT 011A & MGT 011B are prerequisites for the Accounting minor. Please plan accordingly.

Recommended that MGT 101 be taken first.
