

BUSINESS, BACHELOR OF SCIENCE

Graduate School of Management

Accepting freshmen in Fall 2025 and transfer students in Fall 2027; current students are accepted beginning in Fall 2027.

Bachelor of Science in Business at the UC Davis Graduate School of Management (<https://gsm.ucdavis.edu/undergraduate/business-major/>)

The UC Davis Bachelor of Science in Business offers a core foundation anchored in math, statistics and economics while building competencies in fundamental areas of business. Business majors choose to specialize in one or two of the following areas:

- Accounting
- Finance
- Marketing & Business Analytics
- Management & Strategy

The major is a first-of-its-kind campus partnership between the Graduate School of Management, College of Letters & Science, and College of Agricultural & Environmental Sciences. The Graduate School of Management awards the Bachelor of Science in Business.

Internships & Career Alternatives. Internships for students in the Business Major provide valuable hands-on experience and insights into future careers that can enhance their academic and career goals. Internships may take place in various industries and organizations, including corporate enterprises, non-profits, and governmental agencies. Business majors often go on to pursue careers in diverse fields, including accounting, finance, sales, marketing, consulting, business analytics, entrepreneurship, and human resources. Additionally, graduates may pursue advanced degrees in areas such as business administration (MBA), accounting, finance, public policy, and law.

The major requirements below are in addition to meeting University Degree Requirements (<https://catalog.ucdavis.edu/undergraduate-education/university-degree-requirements/>) & College Degree Requirements (<https://catalog.ucdavis.edu/undergraduate-education/college-degree-requirements/>); unless otherwise noted. The minimum number of units required for the Business Bachelor of Science is 108.

Students may not double major in the Business Major and Economics or Managerial Economics. In addition, students in the Business Major may not be granted minors offered by the Graduate School of Management.
