

PHYSICIAN ASSISTANT STUDIES, MASTER OF HEALTH SERVICES

Graduate Studies

Teresa Thetford, D.H.Sc., M.S., P.A.-C., N.P., Director for the Physician Assistant Program

Master of Health Services—Physician Assistant Studies Degree Program

The Master of Health Services—Physician Assistant Studies Degree Program at UC Davis prepares graduates to deliver care as physician assistants. In alignment with the school's vision to advance health, the mission of the physician assistant program is to educate health care professionals to deliver care as leaders and members of interprofessional health care teams as well as to improve the availability of culturally relevant primary health care to underserved populations throughout California.
