

MASTER'S ENTRY PROGRAM IN NURSING

Graduate Studies

Shana L. Ruggenberg, Ed.D., R.N.C.-O.B., C.N.S., C.N.E.; Director for the Master's Entry Program in Nursing
Charleen Singh, Ph.D., F.N.P.-B.C., C.W.O.C.N., R.N.; Assistant Director for the Master's Entry Program in Nursing

Master's Entry Program in Nursing

The Master's Entry Program in Nursing at UC Davis prepares new nurses as leaders in quality and safety, advocates for diverse patient populations and agents of change for healthier communities. Graduates of the program earn a Master of Science in Nurse Degree, have completed the education needed to take the national licensing examination (NCLEX) for registered nurses and are eligible for certification as a Public Health Nurse.

Degree Requirements & Program Coordinator

Faculty

The UC Davis Nursing Science and Health-Care Leadership Graduate Group includes a wide cross-section of academic disciplines with faculty from the Betty Irene Moore School of Nursing as well as UC Davis Health and other UC Davis schools, colleges, and departments. Within the graduate group faculty are experts in nursing, health informatics, nutrition, biostatistics, public health and other fields.
